B073

I wanted to find a like-minded woman for encounters. How did I approach this? Online sex boards. Not that I expected much, the man to woman ratio must be huge. However, I believe more women read than post and this is what happened to me. I posted an advert, was truthful about my situation and what I was looking for, and I waited to see what would happen. To my surprise I actually had two responses. I know that isn't much, but I expected zero. One contact I emailed back and forth a couple times, but it really wasn't going anywhere. But the other, I will call her "Wanda" though that isn't her real name. She was married, and both she and I did not want to change our situations. Wanda and I got along quite well in email, though she clearly wasn't going to just leap into bed right away. It would be great if everyone could be a normal and sane person yet really enjoy sex with people they don't know well, but that isn't reality.

We went from emailing to texting, and that is when we would to start really getting to know each other. The

texting finally came around to sex. Surprisingly to me, Wanda was not only a very sexual person, but shared my openness with a slightly kinky side. I can still remember texting in the evening one time and I told her I would like to try anal. I waited for the response. Would it be disgust? Would this cut off the chances of getting together with this woman? Minutes seem like hours and then she says "Sure, I'm willing to try it." We might not have been in the same room but that definitely got the blood flowing.

So we had lunch. She was cute, buxom, and had a great laugh. The talking was easy, and I was definitely attracted. She had a nice tan and probably a 36D at least. She was nicely dressed and she had lovely thick black hair that went just past her shoulders. She wasn't thin, rather she was curvy in the right places and made my mind race, I wanted her badly. Later, after the lunch date, we talked and I could see I was probably more taken than her, but still her curiosity was peaked. Conversations continued, and finally our attraction

First, I do not recommend cheating on your spouse. Then I do not recommend trying to hook up online. And finally, I do not recommend asking to fuck her ass the first time. But it worked for me.

had to be satisfied. We agreed on a time and a hotel and I was counting down the hours.

We arrived looking calm on the outside but excited on the inside as we engaged in nervous small talk walking towards the room, knowing what was about to happen, but not how it would start. We entered the room, she walked towards me. My hands started holding, and then exploring her over her clothes. If I had worried about her interest, her level of excitement, I didn't have to worry any longer. She was on fire.

Clothing started to magically fall off of us, I can't truthfully remember how or in what order. I do remember pausing when she was in bra and panties to admire what I was about to enjoy. Those breasts! Oh how I love breasts. So full, with the curve of her breast inviting me to feast. I started kissing her lips, lightly and playfully, and then moving in to enjoy the soft skin of her neck. Kissing again, but also biting gently, to be rewarded by her sharp excited gasp. While I was enjoying that,

and her response, I was undoing the clasp of her bra to unleash those beautiful breasts. My hands lifted her bare breasts to my mouth so that I could taste them properly. Her nipples were nice and large and judging by the rate by which her breathing increased, sensitive. So my light tonguing turned into biting and her breathing turned into moaning. We were still standing in the middle of the room, so I pushed her back towards the bed until she fell back onto it and I followed. That gave me the chance to move on from those fantastic breasts and move down her chest, and stomach, eventually getting to her pussy which was so very wet.

I started licking, sucking, and probing with my tongue she went wild. I thought she was pretty vocal before, but the moans were guttural deep expressions. I loved licking her pussy, and frankly I don't know if I am a master of that skill, but she sure made me feel that way. Quickly she came to the first of what would be many orgasms and I smiled and stood up shedding my last clothing. She sat up so she was sitting on the edge of the bed and pulled me down for a deep kiss, wet with the juices of her pussy. She then broke away from the kiss and leaned forward to start giving my cock some loving attention. She kissed, and then licked, taking her time and making sure she got to all areas. Then she took me deep into her mouth, bobbing up and down, trying to take it further each stroke. This was feeling amazing, but honestly with weeks and weeks of texting foreplay I wanted something else.

I gently eased her off my cock, and pushed her back on the bed so I could enter her in one quick thrust. Wet pussy and freshly sucked cock is a great combo. I slid in fast and deep. She groaned again and pulled me deeper. I can't really describe how good it felt, but as I close my eyes I remember it still. It was amazing. We started getting in a good rhythm and again her voice started getting louder and louder. And then an amazing thing, her legs started shaking and she clearly started being gripped by a powerful orgasm. I slowed, but didn't stop, and let her have her enjoyment.

As the waves of orgasm slowed I wondered if she would be tired, after all she had two quite powerful orgasms so far, but really she was just getting started. She started begging for me to keep fucking her and I was happy to oblige. However, I thought a little variety would be fun, so I lay down beside her so she could

climb on top and we could start a nice slow rocking stroke. They say being on top is good for the woman, she gets to be in control of the motion, but I love it too because I had her beautiful D breasts in my face. As she rocked back and forth on my cock I took a nipple into my mouth and started sucking. That got a good reaction, but then I started biting and she went wild. I repeated myself with the other nipple while my hand kept pinching the first one. She was a woman possessed and started cumming like the world was ending. After what seemed like a long time she collapsed, seemingly exhausted.

I was fine to let her have her rest even though I hadn't come yet. She lay down next to me on the bed, facing away from me. I wrapped my arms around her and caressed her breasts while my hard cock was rubbing up against her ass. I was doing it gently just keep my erection going. Sure enough, her breathing quickened again, the moaning started and she was arching her back and pushing her ass into me. I was really enjoying this and I thought I would slip it into her from behind for a nice slow fuck.

She asked me to use a bit of lube since we had been fucking for a bit and I was happy to do so. I then po-

sitioned my cock and moved forward and she pushed back on me. Except instead of slipping right in for more, my cock encountered a little resistance, I was a bit too far back for it to be her pussy. Thinking that she would be protesting soon I started to try and move into better position, but she had other ideas. She braced herself on the headboard and pushed back into me with more determination.

I felt the resistance start fading away and before you know it, I was deeper into her ass. So tight and so unexpected. I was beyond turned on but taking it slowly letting her get used to it. But eventually the tempo between us increased and the feeling was just too good. I was feeling that pressure build inside of me and eventually couldn't hold back. I came so hard I almost passed out, pumping what felt like a gallon of cum into her ass. She came at the same time, pushing against me so I was as far in as she could take it.

We lay there sweaty and exhausted and completely satisfied in the stillness and quiet. I just held her close and we rested awhile. Needless to say, that wasn't our last encounter. Later we had some experiences together that makes this a bit tame. Maybe I will share those with you sometime, too.

ERIKA VUTION

Erika and Derrick decided that today was their play day. After a month of playing phone tag, they hooked up and we're glad they did. Let's start with a little oral on each other before the pussy pounding starts. It was only a few months ago that she got her pussy pierced, and she says it's been the best sex she's ever had. Derrick agrees.

The Toys of Summer

We all want more pleasureable sex, either by ourselves or with our partners.
Here are a few modern products we know you'll love.

OVO SILICONE WATERPROOF RABBIT IN WHITE AND METALLIC VIOLET - \$74.49

The German Designed K5 Rabbit from ovo is rounded for comfortable use and features a double application. The K5 is showerproof, whisper quiet and constructed of lead-free, phthalate-free, 100% body-safe silicone material. Additional features include: powerful motor; 5 programs; standard battery usage. Uses AAA cells. The K5 has been honored with a red dot design award.

LUST SILICONE WATERPROOF DUAL VIBRATOR - \$78.49

We like sex toys with a sleek, seem less and penetration inviting design like this one. And we love the fact that it's unscented. The shaft glides in and out without any kind of friction, just the way we like it. The stimulator is packed full of strong vibes, and finally a vibrator that keeps its promise of being whisper quiet. Might be a bit on the costly side, but it's worth every single penny.

Tyler Faith hosts a sexually-charged radio show/podcast, and her interview style is rather unorthodox. "If you were a tree, what tree would you be?" Faith asks today's guest, Ashton Moore. "Please explain your answer, and then lick my PUSSY." Ashton doesn't hesitate. "I'd be an oak because I'm tall and strong. Now spread your pussy lips and let me get my tongue on it." Looks like this is really an in-depth interview!
